

## AAP is pleased to announce a new specialty Risk Management Program

This exclusive new program is through The Hartford and includes:

- Professional Liability
- General Liability
- Property
- Auto Liability
- Workers Compensation

This program is only available through AAP!

Most favorable terms and conditions

Up to 10% discount of standard pricing

More lenient restrictions related to compounding

If enough AAP members join the program, an additional 10-15% decrease in pricing is available and AAP members will gain the ability to begin receiving dividends for favorable loss experience. This program is open to all AAP members, subject to underwriting approval and replaced the previous Fireman's Fund.
